Education

Vellore Institute of Technology

Bachelor of Technology

Computer Science Engineering with Cloud Computing and Automation

CGPA: **8.69/10.0**

October 2022 - Present

Kendriya Vidyalay

12th (CBSE)

86.4%

2020 - 2021

Experience

UPTOSKILLS

Business Analyst (Intern)

Sept 2025 - Dec 2025

(Remote)

- Interpreted business requirements and conducted detailed data analysis to generate actionable insights.
- Collected, validated, and organized data from multiple sources to ensure 95% accuracy, consistency, and reliability.
- Developed 5+ dashboards and analytical reports for stakeholders, improving data-driven strategic decision-making.

Projects

YoY Performance and Returns Analysis Dashboard | *MySQL, Power BI*

Sept 2025

- Modeled a star schema and DAX Date Table from multiple sources to enable advanced time intelligence analysis.
- Created complex DAX measures to track KPIs, revealing an 8.89% return rate, \$552.20 average return value, and a comparison of 594 current returns to 384 from last year.
- Applied YoY time intelligence across all KPIs and visuals, including monthly trend overlays, quarterly comparisons, and cumulative performance analysis to uncover deeper business insights.
- Designed an interactive dashboard with dynamic slicers, revealing key insights like one employee driving 61% of returns.

Sales Insight Data Analysis | *MySQL, Power BI*

May 2025

- Designed and optimized a relational database in MySQL with 40+ customers, 250+ products, and 150k+ transactions, enabling seamless integration with Power BI for business intelligence.
- Conducted revenue analysis of Rs. 984M+ across 3 regions and 2 sales channels, identifying top 17.65 market contributes to 88.70% of total revenue.
- Developed interactive Power BI dashboards with Slicers (Year/Month/Market), decreasing time-to-insight from 2 days to 2 hours and supporting real-time business decisions across 17+ markets.
- Cleaned, transformed, and structured raw sales data (customers, products, transactions), improving data reliability and reducing errors by 20%.

Technical Skills

Programming Languages: C++, SQL, JavaScript, HTML, CSS

Frameworks: React.js, Node.js, Express.js, MongoDB

Tools: Git, GitHub, VS Code, MySQL, Power BI

Certifications

- Certified **AWS Academy Graduate - AWS Academy Cloud Foundations**
- Certified **HTML, CSS, and JavaScript for Web Developers** by Coursera

Extra-Curricular

- **Lead, FinTech Club, VIT:** Oversaw the planning and execution of 5+ events with 100% on-time delivery while also developing and running a recruitment campaign that attracted 50+ applicants.
- **Core Team Member, iOS Club, VIT:** Managed outreach and public relations by connecting with 200+ students, promoting multiple events, and increasing overall club visibility by 30
- Selected in the top 0.56% (out of 2,00,000+ participants) in **Adobe India Hackathon's** coding round.
- Solved 400+ problems across platforms including LeetCode, GeekForGeeks, CodeChef, and more.
- Hobbies are Geopolitics and Editing.
